Board appointment

International labour services company RBR Group Limited (ASX:RBR) (“RBR”, “the Company”) is pleased to announce the appointment of Mr David Fyfe as an Independent Non-Executive Director.

Currently Executive Manager Asset Operations with Western Australian utility Western Power, Mr Fyfe has extensive experience in managing capex and opex works programs across multiple locations and in managing blue collar workforces. He is also well versed in driving business performance and efficiency improvements, and has a deep understanding of business systems.

Commenting on Mr Fyfe’s appointment, RBR Chairman Ian Macpherson said: *“We are transitioning into a phase of operational growth and need appropriate project delivery and systems skills. From that point of view, David is a great fit and his experience in those areas will be invaluable.”*

Over the course of his career, Mr Fyfe has held senior managerial positions in technical, commercial sales, customer service and operations environments. Prior to Western Power, he was Group Manager (Enterprise Sales) with Telstra in WA.

He holds a Bachelor of Electrical and Electronic Engineering (Hons) from the University of Strathclyde in Glasgow and is a Graduate of the Australian Institute of Company Directors, a Member of the Institute of Engineers Australia and a non-executive director of the Fiona Wood Foundation. He is also a 2002 Bali bombing survivor and regularly speaks at events in WA.

ABOUT RBR GROUP: Perth-based RBR Group is a leading provider of holistic labour solutions to the resources and construction sectors globally. Through its subsidiaries, RBR has the capacity to deliver a range of services including labour broking, international standard training, permitting and visa coordination, pre-employment medicals, occupational health monitoring, injury management and on-site medical support. RBR is one of only a handful of companies that holds a labour broking licence in Mozambique, positioning it strongly to assist in meeting the substantial training and resourcing needs of the country’s burgeoning construction, mining and liquefied natural gas industries. The company is also seeking to expand its presence in other emerging markets with strict local content laws and generally low levels of education and training and owns a registered training organisation in Australia.
