ABOUT RBR GROUP: Perth-based RBR Group is a leading provider of holistic labour solutions to the resources and construction sectors globally. Through its subsidiaries, RBR has the capacity to deliver a range of services including labour broking, international standard training, permitting and visa coordination, pre-employment medicals, occupational health monitoring, injury management and on-site medical support. RBR is one of only a handful of companies that holds a labour broking licence in Mozambique, positioning it strongly to assist in meeting the substantial training and resourcing needs of the country's burgeoning liquefied natural gas industry. The company is also seeking to expand its presence in other emerging markets with strict local content laws and generally low levels of education and training and owns a registered training organisation in Australia.
